Can anyone have a
Christian Funeral?

YES!

Your loved one has a special place in your heart
and they are special and loved by God.

But they were not religious...
We believe they are still loved by God!

We will create and provide a
high quality and unique service
to meet your needs

We will meet in a venue of your choice to
listen to you and get to know your loved one.

Create personal tributes with you, choose favourite
music, decide on poetry, prose and prayers.

All to reflect your loved ones life
and a service that offers hope.
